

*Communists Are a Cursed Race Whose Souls Have Been Taken
by Satan*

Michael the Great

The recent incident of a civilian Korean Airlines jet wandering into Soviet air space and being shot down which has caused an uproar in the international community is causing Heaven to sentimentally reflect on the precious commandments which El Lantie, or Jehovah, gave to Moses. The commandment "thou shalt not kill," is the most wonderful and highest commandment for human beings, together with the other commandments such as the following:

"thou shalt not commit adultery"

"thou shalt not steal"

"thou shalt not bear false witness of thy brother"

"thou shalt not covet thy neighbor's house, his wife, his servants, his maidservants, oxen, ass, or any thing else belonging to thy neighbor."

The very first commandment of Moses is, "thou shalt respect thy mother and father, so that thou may dwell long in the land given to thee by God."

Are any of these commandments obeyed in the Soviet Union, the Mecca of all communist and socialist countries? According to the reports and information we have obtained to this date about the Soviet Union with a revolutionary regime that took power by decimating 1/3 of their population, not one of the above commandments are being obeyed.

What about the situation in the seventeen other socialist countries in the world? Unfortunately, since they all have undergone violent revolutions, there is not one of them which has been able to uphold the commandments of Moses in a decent humane way. Those who resist such regimes on ideological grounds are subjected to unimaginable torture and death.

The Jews that crucified Jesus, who had come to save them, were forsaken by Heaven and they have been cursed by blood ever since. The Jews were manipulated by Satan to devise the principles of communism which was tantamount to sowing the seeds of destruction for their nation by their own hands, and bringing an end to the human race. Those of us in Heaven kept our promise with Abraham and continued to give guidance to protect the children of Israel and the Jewish race despite the plots of Satan, and we even gave them the Messiah. But spiritually blind men crucified Christ, and because of this, the whole Jewish race was caused to suffer. The same Satan who caused Christ to be crucified on the cross caused the Nazis to massacre six million Jews.

Satan who has now been destroyed, created hell on this earth so as not to allow the former chosen people of God to create a Heaven on earth. The way in which he did this was first to make them dispose of the Ten Commandments, and next their consciences which should have been clear before God. In this living hell, Satan planted the seeds of suffering and destruction for the human race.

You must be aware that for the sake of preserving the species, animals do not kill needlessly. The plot to destroy every individual and object favored by God can only originate in Satan. All those who believe in the blood soaked communist ideology are part of a cursed race in which all souls have been stolen by Satan. God will not offer any salvation to such a race but I, Michael the Great, the King of all Heavenly Hosts, promise that we will once again bestow the hope, love and light of God to those who escape from their folds to truly seek us.
